Mr. Philip S. Pearlman,
American Mechanics Building
Trenton, New Jersey.

Dear Mr. Pearlman:

I have an excellent man for you. He would fit into your community splendidly. Perhaps you can secure him to speak at the next meeting of your organization. His name is Rabbi Abraham Burstein, his address is, 6 High Street, New Haven, Conn. I think that you can get him on two conditions; that you give him \$4,000. a year and secure a home for him since he is a married man. Enclosed is a copy of his qualifications. You would not even need a Chazan with him in charge. When you ~~will~~ meet him I know you will all be deeply impressed. I would, therefore, suggest that you present his name to the Committee on Rabbi and get them to invite him.

Wishing the movement all success, I am

Yours sincerely,

RH Melamed
