Mr. Sol Phillips Perlman,
American Mechanic Building,
Trenton, New Jersey.

My dear Mr. Perlman:

I believe that I shall be able to address your gathering on the afternoon of Sunday, December 19th. There are, however, one or two things which I should like to know beforehand.

- 1) How conservative is your Synagogue intended to be, is it to have an organ, is it to have family pews?
- 2) Who suggested my name to you?

Will you kindly also let me know what arrangements you will make for meeting me?

Sincerely yours,
