

THE WHITE HOUSE

WASHINGTON

January 13, 1992

Dear Mr. Lee:

Thank you and Ernestine Urken for your thoughtful letter about the revocation of Resolution 3379. I, too, am delighted by this action of the United Nations.

As you know, the United States rejected the resolution from the day that it was passed, and we are gratified that many other nations joined in our efforts to bring about its repeal. This step has enhanced the credibility of the United Nations and serves to advance the cause of peace in the Middle East.

Best wishes.

Sincerely,
